

2012 TVA Middle School Volleyball Team Camp

MS VOLLEYBALL TEAM CAMP

JULY 16th-20th, 2012

The *Tennessee Volleyball Association's* Team Camp is a radical departure from traditional team camps in the fact that it is heavily focused on developing the individual player in all aspects of their position, while never forgetting the necessity and joy of competitive play.

Middle School campers will learn all aspects of the game of volleyball while getting ample time to focus on their position specific skills. The camp will be taught by highly qualified coaches, who know the game from both a player's perspective and from a coaching perspective.

Each day, campers will focus on a different "skill" and will slowly build towards the team concepts of volleyball: transition, serve receive & defense. Each day will end with competitive games, wash drills, and 6-on-6 rally-scoring games. On Friday, the campers will be split into teams and will compete in a tournament-style format.
